

ALL NECESSARY INFORMATION CAN BE FOUND ON THE OFFICIAL WEBSITE OF THE MINISTRY OF EDUCATION - [Applications for secondary schools](#)

A/ Admission procedure for applicants to the first year of an eight-year grammar school (prima) and the first year of a four-year grammar school.

The admission procedure for our grammar school consists of two parts:

1. Part: Unified entrance exam (JPZ)

For fields of study with a school-leaving examination, there is always a unified entrance exam in the Czech language, literature, and mathematics. Further information about the common part can be found at <https://prijimacky.cermat.cz/>.

The Ministry of Education, Youth and Sports has launched a new testing application for practising JPZ didactic tests: [JPZ Application](#).

Applications for the first round of the admissions procedure must be submitted to the principal of the secondary school in the prescribed manner between 1 and 20 February 2026.

The unified entrance exam takes the form of a written test and is scheduled for the following dates:

- 10 and 13 April 2026 for four-year programmes
- 14 and 15 April 2026 for eight-year grammar school programmes.

Alternative dates:

- 29 and 30 April 2026 for four-year programmes and multi-year programmes.

2. Part: School entrance exam (ŠPZ)

The school part of the admission procedure: English language: grammar test, oral interview and written assignment.

1. Date: 8 April 2026
2. Date: 9 April 2026

Alternative date:

- 24 April 2026

General information:

1. The better JPZ result will be counted
2. School entrance exams in English - April 8 or April 9, 2026
3. Submitting an application (see information on [Secondary School Applications](#)):
 - A. Electronic application – PREFERABLY via the official information system.
 - B. Application in the form of an extract from the system - second hybrid option
 - C. Printed form
4. **Applicants may submit 3 applications to 3 schools with a binding order of schools for admission in case of successful completion of the admission procedure**

Explanation: if accepted to the first school in the order, the applicant must enroll in that school; if unsuccessful, they automatically enroll in the second school in the order, provided they have successfully met the admission requirements.

Publication of information about the admission procedure

- Dates, requirements, and evaluation criteria will be published in mid-January 2026 on the school's website www.is-ostrava.cz
- The evaluation criteria (pass mark) will be set by the school principal.

Results:

- published in the information system on May 15, 2026, as well as on the school's official notice board and via remote access at www.is-ostrava.cz

**B/ Admission procedure for applicants to higher grades of the eight-year grammar
school
(second, third, fourth, fifth grades)**

The school admission procedure consists of English and mathematics in the form of entrance exams prepared by the school (ŠPZ).

English language - grammar test, oral interview, and written assignment.

Mathematics - level of knowledge and basic mathematical skills and competencies at the level of the given grade

1. Date: April 8, 2026
2. Date: April 9, 2026

Alternative date:

- April 24, 2026

General information:

- Applicants shall submit their applications for the first round of the admission procedure to the school principal in the prescribed manner between February 1 and February 20, 2026.

Publication of information about the admission procedure

- Dates, requirements, and evaluation criteria will be published in mid-January 2026 on the school's [website www.is-ostrava.cz](http://www.is-ostrava.cz)
- The evaluation criteria (pass mark) will be set by the school principal.
